

Asbestos & Lead Abatement

THE SIGNS OF A SAFE INDUSTRY

OSHA §1926.1101(k)(7)(i) states "Warning signs that demarcate the regulated area shall be provided and displayed at each location where a regulated area is required to be established by paragraph (e) of this section. Signs shall be posted at such a distance from such a location that an employee may read the signs and take necessary protective steps before entering the area marked by the signs."
